## One Incredible Year

The definition of "**incredible**" is: **so extraordinary as to seem impossible.** Well that explains it, **2010-One Incredible Year.** Our extraordinary God has done the seemingly impossible through your powerful prayers, your sacrificial giving in a difficult economy, and your amazing love. You have given clothes and furniture for over **300 refugee families** from over **25 countries.** You volunteered over **3,000 hours** in order to make these precious men and women feel the love of a friend. Through our English classes, computer class, sewing class, visiting in their homes, working on the farm, you made true relationships. You literally went the extra miles to pick up people up at their homes to take them to: dentists, doctors, the store and anywhere they needed to go.

I call that "**Incredible**" God also brought **476 volunteers** from **65 churches** from many denominations, **10 colleges and universities,** from **17 states.** We were privileged to serve Christians, Muslims, Buddhists, Hindus, Jews, and people with no religious affiliation. All created and loved by an incredible God. He also used you to help with the farm to be able to give produce to local food pantries and refugee families. We are looking forward to the New Year, anticipating more new friends, more service and the wisdom of God to meet needs to a

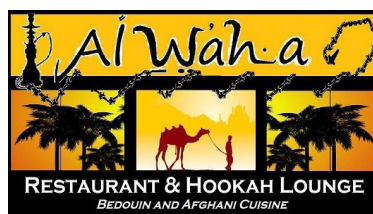

hurting community. **With every practical need that was met, we never cease to lift up the Name of Jesus to the refugee people.**

**"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. It is right for me to feel this way about all of you, since I have you in my heart."  
Philippians 1:3-7**

## **Winter Needs**

**"Winter Is Here"**. Refugees have already been asking for winter clothes, coats, gloves, hats, socks, boots, blankets and space heaters. **You can help by getting people at work, church or family to begin collecting these items for the refugees.** You don't have to wait till Christmas for these items to be donated. We need them now. Drop the items in our clothing bin at Destiny Church 1809 Des Peres Rd. St. Louis 63131 or bring them to Oasis.
