"GIMME" SHELTER CONCERT On Friday night, January 11, The Crave Coffee House was packed for the **"Gimme" Shelter Benefit Concert**. Ryan Johnson's band and five other groups performed to raise awareness and funds for refugees in St. Louis. **A total of \$970 was given. Praise God!**

One refugee family who was helped was from the Congo. They fled their home and lived in a refugee camp in Burundi. Fighting broke out in the camp where two of their children were killed and Nyaganza was injured. We were so blessed and humbled to hear their story and to be able to assist them in a small way.

Andrew Caplinger, Perpetu (interpreter), Etienne, Ryan and Nyaganza
