Monthly Outreach—Every **second Saturday** of the month from **May to September**, Oasis will reach out to the South City community **at the park** across the street from the Oasis building. There will be free barbecue, give-aways, and health information hand-outs. We will also be delivering furniture to refugee families and helping to rehab our Bosnian friends’ new store.

Here’s how you can help. Hand out flyers the week before• BBQ set up• cook• assist in the health class• deliver furniture• rehab our Bosnian neighbors’ store• and praying and encouraging people. It is going to be fun and fulfilling! We’d love for you to join us. Just call or email.

Did you know? St. Louis is the #1 city in the United States for diversity of nationalities. There are more than 100 nations in St. Louis. Here are just a few of our new friends.

Special Thanks

Special thanks to **John and Paula Kasica and the "Glory of Voice" singers** for their awesome performance at the **Benefit Concert** last month. One hundred and ten people came. About thirty refugees from Burma, Liberia, and Congo attended, as well. Almost **\$5,000** was raised to help finish projects in the building. Thank-you to all those who helped organize and serve at the event. We couldn't have done it without you.
